

**How the  
Academic  
Infrastructure  
can be used to  
enhance the  
management of  
higher education**

**The place of  
the *Code of  
practice* in the  
management  
of quality  
and standards  
in colleges**

**Why I love  
the Academic  
Infrastructure**

**What the  
Academic  
Infrastructure  
can do for  
students**

**Public  
information  
and programme  
specifications**

**What are  
subject  
benchmark  
statements for?**
