

Subject Benchmark Statements: List of Statements published on the QAA website

Subject Benchmark Statements describe the nature of study and the academic standards expected of graduates in specific subject areas. They show what graduates might reasonably be expected to know, do and understand at the end of their studies.

Subject Benchmark Statements are available for bachelor's degrees with honours and master's degrees.

Below is a full list of the Subject benchmark Statements available on the QAA website:
www.qaa.ac.uk/quality-code/subject-benchmark-statements

Bachelor's degrees with honours

Accounting (2019)
Agriculture, Rural Environmental Sciences, Animal Studies, Consumer Science, Forestry, Food, Horticulture and Human Nutrition (2019)
