Membership 2021-22

Programme of Activities

This programme identifies the activities, events and key resources we have planned for 2021-22 in our Core package plus our Quality Insights and International Insights services.

We are committed to delivering these activities and we will continue to work with you to evolve this programme throughout the year, adding or adapting activities in response to developing member and sector needs.

Our five interconnecting themes are:

- Beyond COVID-19 - The Future of Digital and Blended Pedagogy
- Evaluation and Data-Based Decision-Making
- Global Engagement and TNE
- Creating Inclusive Learning Communities - Flexible Pathways and Pedagogies
- Securing Academic Standards and Quality

These are underpinned by:

- Training Programmes and Supporting Toolkits and Resources
- Networking and Engagement
