Reflection and Observation of Practice - ROPS

# Participation

- The choice of topic for reflection is entirely the choice of the 'observee'.
- The 'observee' chooses their 'observer'.
- The content of the observation is confidential.
- Teaching is observed once in each two year cycle.

# Training our 'Observers'

---

- Sessions run every month from October to March.
- Open to all staff teaching or supporting learning.
- Registration to encourage cross-disciplinary collaboration.
- Training supports facilitated conversations.
- Scenario based.
